Dear Marian, Tom and Margaret.

I am writing to say thank you for a wonderful, historic day out. Our class was thrilled by all the activities.

I was fascinated by how thrushes were bright enough to find a stone to bash snail shells against to get the snail out. Also I loved catching the wildlife and sketching. I was amazed how fur can turn into wool to knit jumpers. I found out materials we wear are either woven or knitted.

Many thanks again for a fascinating day!
Hope our donations make a difference! Also
I hope you will be able to sell Water-cress.
Yours sincerely

Dear Marian, Tom and Margaret,

I am writing to say that I enjoyed it at the
cress beds and how much fun it was.

The part that I enjoyed the most was when we
got to see the alpaca fur being spun on that spinning
wheel and when we got to feel the alpaca wool. It
felt nice and I liked looking for wildlife and then
sketching it.

Finally i've had a great day I would really really like
to visit again.
